2022 PACIFIC NORTHWEST  
ANNUAL CONFERENCE

Our church will host annual conference. The conference will begin their set up of equipment on June 15th. Our sanctuary and Olympic room will be used from June 15—June 21st.

The actual conference will be streamed live from 6 pm June 19th until 6 pm June 21st. The closing of conference to include Alaska and Oregon-Idaho (Our Greater Northwest Area) will take place in Portland with a celebration of our bishop's ministry. She will be retiring at the end of 2022.

It is an honor to host this event and be prepared for lots of equipment and people around the building.

Lay representative from our church are Diane Collier and Marcia Campbell. The delegates will be watching, participating and voting via a webinar setting.

Pastor Pam is the registrar, orders of the day and building coordinator.

### From the Staff Parish Relations Committee:

Our committee is responsible for hiring staff for our church. We have been searching for a part-time office manager. Like many employers, finding someone is hard right now. We will continue to seek an employee. HOWEVER, with the arrival of Pastor Jeff, we are asking for volunteers to be in the office. Pastor Jeff will have so many new things to learn and do, it would be very helpful to

have someone answering the phones, or assisting in some tasks. Here are the times wanted: Monday—Thursday, from 9 am—noon. This volunteer position begins on July 11th. THANK YOU

*Please let Eric Chrismer know if you can help.*
