Sermon: Hospitality: Counting the Cost

Something to think about: *What costs are we willing to pay and what sacrifices are we willing to make to be disciples of Jesus?*

Choir Rehearsals Resume

Chancel Choir will be resuming rehearsals beginning Thursday,

September 8th, at 7:00 PM. We are in need of more voices and welcome all those who enjoy singing. Rehearsals will be in the downstairs choir room. Please enter through the back doors at the bottom of the parking lot.

Our organist, Mark Cooley, will be there to help direct us.

Hope to See you there!

epilogue.

...a comment or conclusion to what has happened.

Have you ever felt you just needed to know more after the Sunday message? Had questions? Have you ever just wanted to share what spoke to you?

Beginning **Sunday, September 18**, following the service and fellowship time (approximately 11:15 a.m.) Epilogue will be a small group opportunity to have more discussion and sharing about the morning message. We will meet in the **Wesley Room**.

There is no study or outside work...just listen to the sermon. Take notes if you like.

All are welcome! The session will be kept to 1 hour or less and will be facilitated by Steve Shamblin-Mullinix and Pastor Jeff.

This month we return to the weekly publication of the **Pano Express** as our main source of DMUMC communications.

Beginning in October, Pastor Jeff will publish an article the first week of each month.

Please remember, if you would like to submit information about your event or ministry to appear in the **Pano Express** it needs to arrive in the church office on the **Monday prior to publication**. Thank you!

Essentials Bank – Summer 2022
Children’s Clothing and Household
Essentials

It has been a very busy spring and summer for the Essentials

Bank. We are serving the community well through this community resource.

New faces come into

the Essentials Bank each week and the giving spirit of the Des Moines community also increases each week. It is so amazing how generous not only all of you at Des Moines UMC have been but also the enormous giving support we have experienced from the greater Des Moines community.

Continued gratitude to the volunteers who help staff the Essentials Bank each week. The same folks have stayed the course since January and we could not open the door on Wednesdays without them. Also thanks to a small but mighty group who have taken on the special task of dropping by garage sales and asking them for donations to the Essentials Bank at the end of their sale. The items we have received from this giving have gone a long ways to keeping the shelves stocked. If you would like to help with any of these necessary activities let me know.

We are in constant need of new boys’ & girls’ underwear and sox. With the start of the new school year it would be wonderful if all of the families with children could come in and pick up new sox and underwear for their children. If you would like to donate these essential items the best buys are found through Amazon or at Walmart. We are also happy to accept monetary donations and we will purchase the items.

Thank you Des Moines United Methodist Church for allowing this ministry to happen.

Thank you to those who have given to the Update Fund to help offset the unexpected expenses at the parsonage due to the sewage back up as well as the necessary work

to repair the water-damaged balcony wall under the stained glass window. While the parsonage work is still underway, the balcony work has been completed. The carport roof/deck at the parsonage still needs to be replaced as well.

To date, \$10,915 has been given. We anticipate the shortfall to be approximately \$10,000—\$15,000.

If you can help by donating any amount **over and above your current pledge**, it would be greatly appreciated. Please be sure to mark any new donation for the **“Update Fund.”**

Thank You!
